

**SPOKANE INTERNATIONAL AIRPORT  
WEST TERMINAL RAMP EXPANSION - PACKAGE 2  
INLAND NORTHWEST PRECAST**

# The 2024 HUB Build Northwest Awards Entry Form - Suppliers

## COMPANY INFORMATION

Must be an Inland Northwest AGC member in good standing

Company Name: Inland Northwest Precast

Entry Submitted By: Greg Papich

Title: General Manager

Email: greg@inwprecast.com

## PROJECT TEAM INFORMATION

Owner: Spokane International Airport

General Contractor: Shamrock Paving

Company Product Supplied to: Shamrock Paving

## PROJECT INFORMATION

Project Name: West Terminal Ramp Expansion - Package 2

Location: Spokane International Airport

Type of Product Supplied: Ø18'-0" x 30'-0" Precast Sump Vault

Amount of Product Supplied: 16 separate sections - 497,590# (122.86 cu/yds)

How did the product supplied enhance the success of the project: This structure moves wastewater from a lower location to a higher one. It's a cost-effective way to cut down on excavation costs while still achieving the intended goal.

Describe any unique applications of the product (if applicable): The size of this structure makes it truly unique for the Inland Northwest. Ø18'-0" x 30'-0" inside dimensions make this structure the first of its kind in this idea.

Attach additional sheets if necessary.

Send this form and your completed entry package to:

Inland Northwest AGC  
Build Northwest Awards  
4935 E. Trent Ave.  
Spokane, WA 99212

All entries must be received no later than 4:00 pm on November 1, 2024 at the AGC office. There will be no exceptions or extensions.
