Tom Mauer Safety Award

Nomination Form

The Tom Mauer Safety Award was established by the AGC Board of Director's to be given to an individual and/or company that has an accomplished safety program - a safety program of commitment from the top down. The individual and/or company must be active in the AGC Safety Committee and must actively assist the Inland Northwest AGC Chapter, AGC members and Safety Directors in the betterment of their safety programs. The individual and/or company must be a leader in the field of jobsite safety, respectful of others and serve the needs of others with humility.

This is who Tom Mauer was. He developed a first-class safety program utilizing the talents of many. He was able to convince the leadership of the company how important safety on the job was and their support to him was unwavering. He was very active in the AGC Safety Committee and assisted the Chapter, AGC members as well as other Safety Directors with their programs. Tom was a leader, respectful of others, always wanting to assist and serve others. Tom was a very humble man who never complained about his past work injuries and the constant pain he was in, he just made sure that he gave safety his all, all the time, always caring, always positive in attitude.
