The 2024 HUB Build Northwest Awards Entry Form - Suppliers

COMPANY INFORMATION

Must be an Inland Northwest AGC member in good standing

Company Name: Inland Northwest Precast

Entry Submitted By: Greg Papich

Title: General Manager

Email: greg@inwprecast.com

PROJECT TEAM INFORMATION

Owner: CDA Trust

General Contractor: DG&S Company, Inc.

Company Product Supplied to: DG&S Company, Inc.

PROJECT INFORMATION

Project Name: Coeur D'Alene Trust Star Complex

Location: Wallace, ID

Type of Product Supplied: Precast Concrete Box Culvert

Amount of Product Supplied: 1,118 Linear Feet (6'-0" x 12'-0" x 8'-0")

How did the product supplied enhance the success of the project: This was a project intended to cleanup contamination from mine waste and contamination in Canyon Creek Basin. The supplied box culvert allows Canyon Creek to flow through a portion of the cleanup area.

Describe any unique applications of the product (if applicable): _____

Due to an extremely accelerated schedule, INWP was tasked with producing and delivering 1,118 LF of box culvert in a 5 month period.

Attach additional sheets if necessary.

Send this form and your completed entry package to:

Inland Northwest AGC
Build Northwest Awards
4935 E. Trent Ave.
Spokane, WA 99212

All entries must be received no later than 4:00 pm on November 1, 2024 at the AGC office. There will be no exceptions or extensions.
